

"Challenges and Opportunities in Shipping"

a lunchtime conversation with

Lisa Wieland, *CEO Massport &*
Paula Connelly, *President CONECT*

NOVEMBER 4TH, 2021 11:30 AM EST

Join us for a timely discussion on how Massport is handling pandemic-related challenges along with new opportunities evolving from the pandemic. Under Ms. Wieland's tenure, Massport has expanded significantly over the past few years with expansion at Logan Airport and the addition of 3 new cranes at Conley Terminal. What does this mean for importers, exporters, and travelers? What is Ms. Wieland's vision for the future of Conley Terminal and the airline industry? How does a smaller port like Boston compete with the larger East Coast ports?
